

HTT Data Collection Training

[Wiki Main Page](#)

Pivotal Study Training Requirements

I. CME Course

- The course is worth 3.00 CME credits.
- Create an account on the [FDA CE portal](#)
- Click on the “Online Learning” tab
- Scroll down to our course: “Assessment of Stromal Tumor-Infiltrating Lymphocytes”
 - You can also use the search function on the “Online Learning” page to search for “Assessment”.
- [Link to “mirror” of the CME course.](#) This mirror includes course materials available outside of the official CME course delivery platform.

To participate in the HTT Pivotal Study, email your CME completion certificate to Brandon Gallas (brandon.gallas@fda.hhs.gov).

II. Interactive Training

- To participate in the HTT Pivotal Study, you must complete the Proficiency Test on the sTILs assessment.
- [Visit this link to get started on the interactive training.](#)
- After completion of the Proficiency Test, email Brandon Gallas (brandon.gallas@fda.hhs.gov), so your annotations can be assessed.
